

## Anti-Aging System Day Care

Luxurious care for a visibly more radiant, fresher appearance and noticeably softer skin sensation

The Anti-Aging Day Cream with SPF15 with NTC Complex\* and hyaluronic acid improves and stabilizes the biological processes in the skin. The delicately melting, fast-absorbed formulation supplies the skin with moisture, provides elasticity and improves the skin structure through special Anti-Aging substances. Green tea extracts work as antioxidants, chamomile soothes. Fine lines and wrinkles are reduced, the skin becomes smoother, more even, and looks younger.
