

Anti-Aging System Duo Lift Finish

The Anti-Aging highlight with Instant-Lifting-Effect

Experience the Anti-Aging highlight with NTC Complex* for the whole day. The soft texture melts on the skin, smoothes out skin irregularities and magically creates smooth, radiant skin.

Novel Hyaluron fillers pad wrinkles and indifferent pigments show an Instant-Lifting-Effect. Experience the double effect for a perfected, even complexion – let yourself be enchanted by noticeably more tender and visibly smoother skin!
